Music Event

JAVA JAZZ 2022

ABOUT PROJECT

Java Jazz Music Festival is one of Indonesia's most prestigious music events, presenting jazz musicians from all over the world and becoming one of the references for world jazz events.

PROJECTS SCOPES

I am part of PT Citra Intirama to accommodate backline needs from all java jazz stages (endorser or not) with a marketing mission from several managed brands such as Roland, Nord, DW, Marshall, Dexibell, and others in a relatively short time, so that the types of some of these brands can be better known.

What is Aquatica Asia?

Indonesia's marine and fisheries is one of the three main sectors for Indonesia's economic development in 2030 besides service industry and resources. The efforts done by Ministry of Marine Affairs and Fisheries of The Republic of Indonesia to improve fisheries productions are the appropriate steps. These efforts include improvements of fisheries production commodities which have been dominating exports and local markets, such as shrimps, seaweed, catfish, grouper, and other types of fish.

In accordance, DPJB is committed to encourage improvements of fisheries superior commodity industrialization, such as shrimp, grouper, catfish, and seaweed through the event of AQUATICA and INDOAQUA since 2018.
